The 2015 Leaders Awards, India's Most Authoritative Awards for Promising Brands & Leaders, honors outstanding performance in a wide range of categories. With in-depth categories which cover everything from internal communications to public relations, as well as a wide range of industries from all across India, the Awards explore the full range of the profession, and provide a comprehensive look at the most exceptional example of communication in India. The recipients are acknowledged for their achievements and recognized as the elite of their industry earning a place amongst a distinguished group by having their products, projects, initiatives, contributions and achievements recognized on a prominent and far-reaching scale.

Waqf Management System of India (WAMSI) is an On-line Workflow based Waqf Properties' Management System. WAMSI System is developed to manage and to maintain up-to-date status of the Waqf Properties through out their lifecycles.

Advantages of implementing of WAMSI would lead to (a) Efficiency in various processes of information delivery, (b) transparency in sharing up-to-date information to the public on web-platform, (c) help in generating maximum revenue. Satellite Imageries driven Geographic Information System (GIS) based on GPS Coordinate System is seamlessly integrated with WAMSI, which helps in identifying the encroachments (if any) in the past as well as in future.

WAMSI covered the aspects such as (a) Waqf Estates & their Waqf Properties (Immovable & Movable), (b) GPS Coordinates of the vertices of the Layouts of Immovable Waqf Properties, (c) Management (Mutawalli) Changes, (d) Annual Waqf Property Returns by Managers, (e) Annual Welfare Measures undertaken, (f) Annual Administrative Contribution to Waqf Boards, (f) Leasing of Waqf Properties, (g) Rent Collections, (h) Litigation Cases Tracking, (i) Digital Preservation of Ownership Right Documents.

As per the central concept of the Waqf, the Income generated from Waqf Properties should be utilized for the welfare of the needy, marginalized and under-privilege sections of the society.
