The Chief Executive Officer,
State/UT Wakf Board of.....
(As per list attached)

Subject: Scheme for computerization of records of State Wakf Boards

Sir,

1. I am directed to refer to the subject cited above and to state that the Ministry vide letter No. 12/11/2008-Wakf dated 2nd July, 2010 (copy enclosed) addressed to all the State/UT Wakf Boards had requested that internet connectivity through broadband **AND NOT** through 2Mbps managed leased line be taken for the Scheme as the latter was not required by the State/UT Wakf Boards.

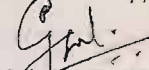

2. In this connection the item-wise budget estimate available in the "e-Readiness guidelines for State/UT Wakf Boards" which was circulated to the State/UT Wakf Boards in January, 2010 and which is also now available on the website <http://waqf.gov.in> may be referred to.

3. It has now been decided that the total amount of Rs. 6.50 lakh [Rs. 5.00 lakh and Rs.1.50 lakh earmarked for the 2Mbps managed leased line and the CISCO Router respectively] may not be surrendered to the Ministry. This amount together with the amount of Rs. 1.20 lakh earmarked for internet broadband connection may be utilized for future recurring payments towards the rentals for the existing internet broadband connectivity. A separate utilization certificate for the broadband internet connectivity together with the bills paid will have to be submitted by the State/UT Wakf Boards through their respective State/UT Governments to this Ministry as proof of utilization of this entire amount of Rs. 7.70 lakh.

4. The Ministry has also been receiving references from various State/UT Wakf Boards for utilization of the balance amount left under the scheme (after completion of setting up of the Central Computing Facility) for purchase of additional PCs, cameras, laptops and hiring of additional manpower etc. The matter has been examined and it has been decided **that such purchases is not permissible**. This was also clarified at para 2 of the sanction order issued to the State/UT Wakf Boards. The State /UT Wakf Boards are thus requested that the unspent amount must be surrendered to the Ministry along with the Utilisation Certificates (UCs) detailing head-wise expenditure out of the amount originally released. The UCs may be forwarded through the respective State Governments to this Ministry at the very earliest as further fund releases under the Scheme cannot be made until these UCs are received.

Enclosed: as stated.

Yours faithfully,

(Mohd. Afzal)

Sub: - Release of Rs. 27.10/- lakhs (Rupees Twenty Seven Lakhs and Ten Thousands only) to U.P. Sunni Central Wakf Board, Government of U.P. under the scheme Computerization of the records of State Wakf Boards.

Sir,

I am directed to refer to your the Letter No- 7922-CEO-10, dated on 25.6.10 on the Subject noted above and to say it is clearly mentioned in the e- Readiness Guideline for State Wakf Boards that Broadband & Leased Line are to be taken from BSNL. However, initially only Broadband Connectivity is to be taken because full WAMSIS System/Leased Line will take some time to take-off.

2. As per Ministry of Minority Affairs directions, State Wakf Boards needs to approach DGS&D for Purchase of equipments including DG Set. Since Leased Line is not needed initially, Router is also not needed otherwise a big amount on rental of the line will be wasted without proper usage.

3. For any further technical help NIC Nodal officer at Lucknow may be consulted.

Yours faithfully,
