Product Description

Start your photographic journey with this black Sony Cyber-shot 20.1 MP camera. The camera offers great features housed in slim, stylish, and lightweight body. Moreover, the Sony DSC-W830 is designed to appeal to style-conscious consumers who want a highly portable, easy-to-use compact digital camera, creating a wide range of photo-taking opportunities. Its 20.1 MP CCD image sensor produces impressive high-quality photos with vivid contrast and colorful clarity. Also, the Sony Cyber-shot 20.1 MP camera can record 720p HD videos, making your photographic experience even more pleasurable. Further, featuring a ZEISS lens with 8x optical zoom the compact digital camera gives a variety of shooting situations in low-light conditions, distant objects or panoramic views. On the other hand, the Sony DSC-W830 has a USB 2.0 port, offering you a quick transfer of the taken photos and videos to other compatible devices. Its 2.7-inch TFT LCD display helps you with a smooth menu navigation and a suitable images' viewing angles. Plus, you have the option to choose among different scene selection and picture effects which is a great opportunity to make your creativity go beyond the ordinariness. All in all, this Sony Cyber-shot 20.1 MP camera is a great choice for those young and young-at-heart, who want to increase the pleasure of digital photography, making it with style and quality.
